HORIZONS '79

Administration

“Education is the leading of human souls to what is best, and making what is best out of them; and these two objects are always attainable together, and by the same means. The training which makes men happiest in themselves also makes them most serviceable to others.

John Ruskin

“Type this letter, I need 40 copies, file the forms. Take this to duplicating. File these. We need you to take minutes today. Could you collect the money for this?”
And still their pleasant smiles greet us each morning rivaling the first rays of the dawn.

Good leadership and hard work — What it takes to make the grade.

The SNA officers are (from left to right) Jo Tart — treasurer 78-79, Pam Austin — treasurer 79-80, Whitney Hoyle — president 79-80, and Janice Williams — president 78-79. Not pictured is Deon Keene, secretary 79-80.

"America has need of thousands of leaders who will never be elected President or even a governor of a state or president of a professional society, but who, quietly and without ostentation, nevertheless will exert true leadership in their several walks of life."

Harold Willis Dodds

"It is difficult to say what is impossible, for the dream of yesterday is the hope of today & the reality of tomorrow."

Robert H. Goddard

PEOPLE:

“People who need people are the luckiest people in the world.”

B. Merrill

For your patience, understanding and kindness, we the members of the 1979 Annual Staff of Sampson Technical Institute, take extreme pride in dedicating this annual to you. We sincerely hope that each and everyday brings new *HORIZONS* for you.

"We never know how much one loves till we know how much he is willing to endure and suffer for us; and it is the suffering element that measures love. The Characters that are great, must, of necessity, be characters, that shall be willing, patient, and strong to endure for others. To hold our nature in the willing service of another, is the divine idea of manhood, of the human characters."

Henry Ward Beecher

Don't grab the first job that comes along.

Be choosy.
Look around for a job that's as good as you are.
And if you look in the right place you won't have to look long.
We have hundreds of good jobs. Electronics, Construction, Data Processing, Law Enforcement, Food Preparation, Welding, Photography, Missile Maintenance, Communications, Heavy Equipment, Radio Repair, Radar Operation, and many others.
You don't need experience.
If you qualify, we'll guarantee you training in the job you choose.
And we'll pay you while you learn.
